

This home is spectacular – a must see! Like brand new! Completely remodeled -over half is new construction- garage & living area above garage was a tear down and rebuild in late 2009. All new HVAC, appliances, electrical/lighting, millwork, cabinetry, wood floors, roof, siding, windows, stamped concrete retaining walls, concrete drive, beautiful landscaping, plus more!

Beautiful gourmet kitchen with cherry cabinetry, stainless steel appliances, granite counter tops, oak flooring, recessed, pendant and under cabinet lighting.

Living room is open to the dining area, kitchen and foyer and boasts a tray vault knock down ceiling, recessed lighting, & large picture windows with loads of natural lighting. Bench seat in living room bay picture window was constructed with rare Colorado Sandalwood Stone.

Elegant master bedroom suite features fireplace with granite surround, walk in closet and full tiled master bath which is loaded with extras such as travertine shower surround, stamped concrete flooring, and granite countertops. Immediately across the hall from the master suite is a multi-purpose room that could serve as a den, office or nursery!

Walk out lower level features a family room and large bedroom with a full wall stone fireplace surround and walk in closet - close to the full lower level bathroom - could serve very well as an alternative master suite!
